

**FINALS BEATS JULIAO**

ALICE'S MOM: Are you sure you're going to be OK today sweetie?

ALICE: Yeah mom! I'll be fine,

ALICE CONT: A week and some days at this job basically means I'm part of the family at this point

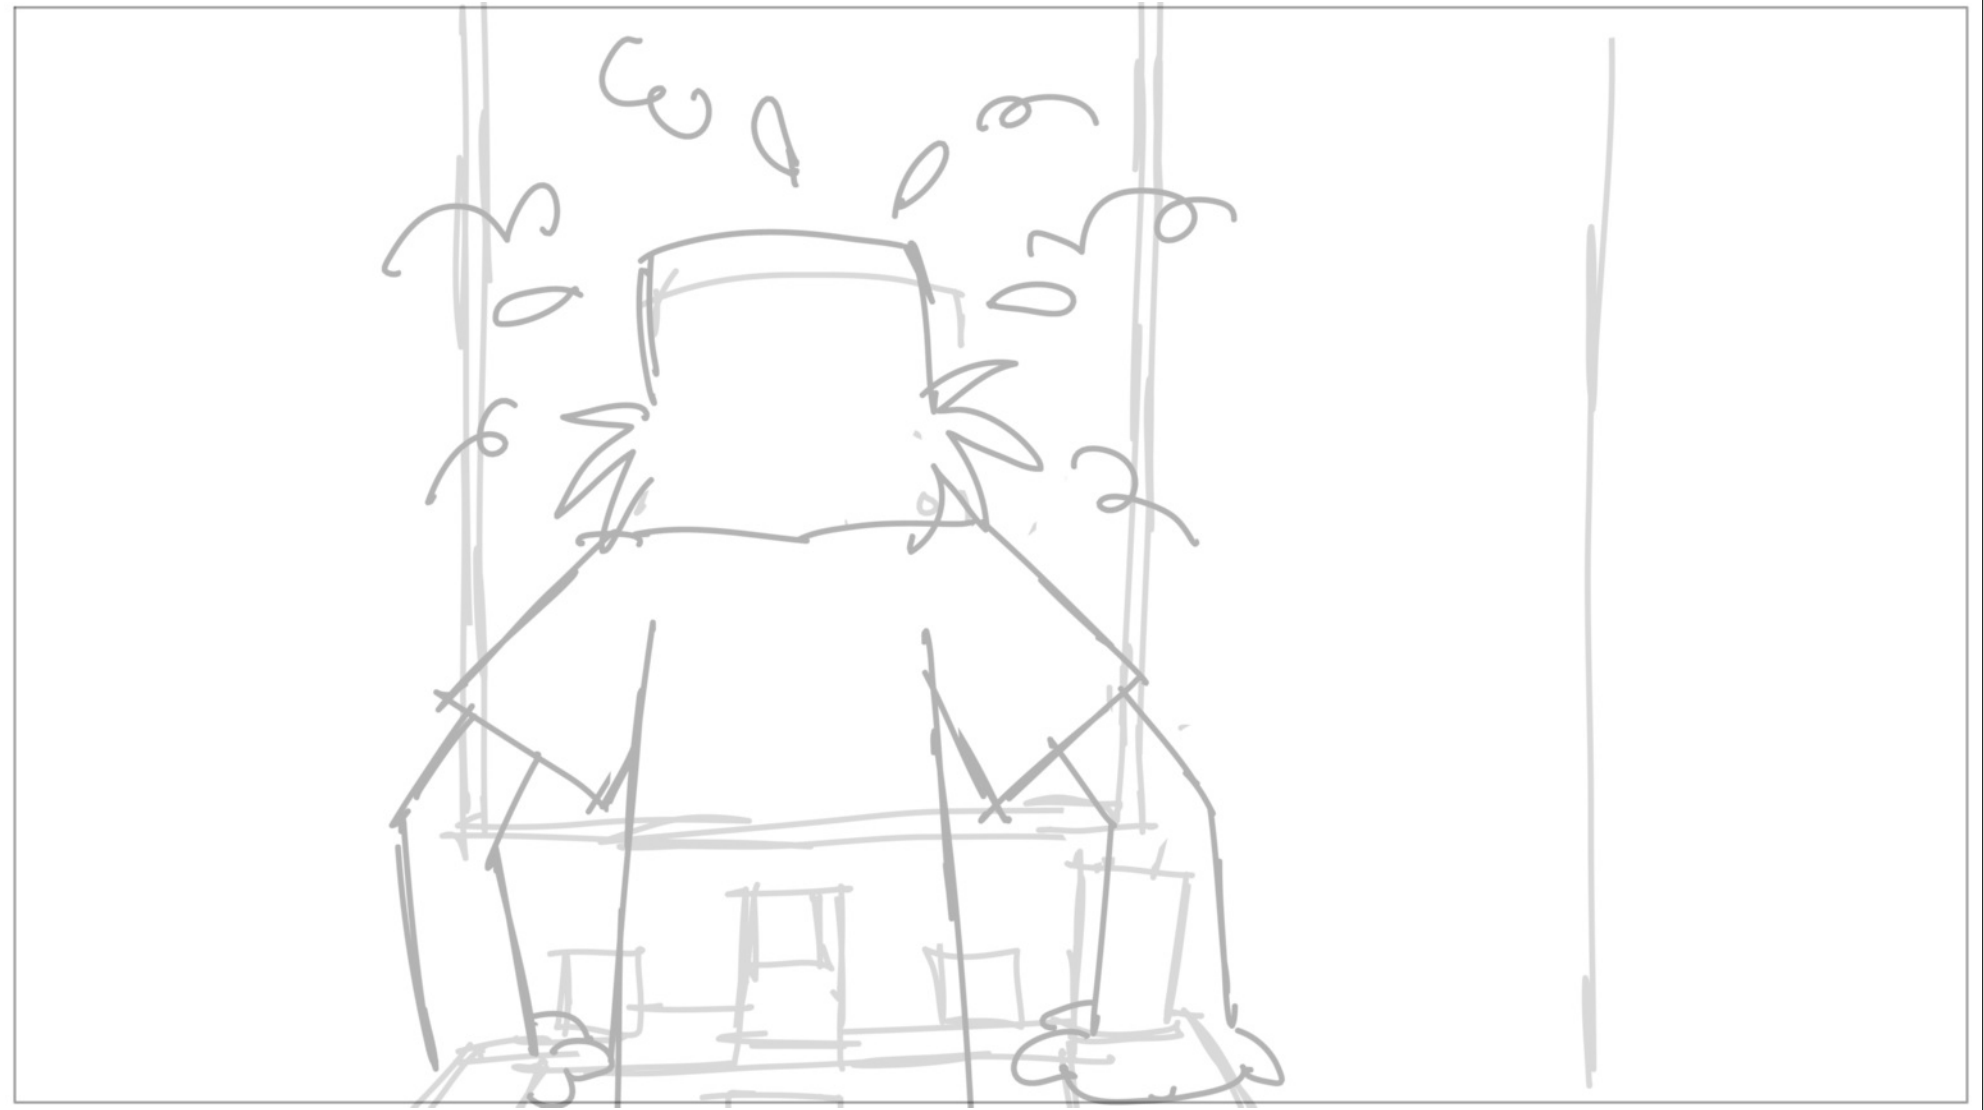

ALICE'S MOM: So does that mean you also have daily morning phone calls with each and every one of your co-workers?

ALICE'S MOM CONT: 'Cause then I'd have to definitely have to take you off our family plan with all that time you're spending on that phone!

ALICE: ahahhah!! I guess we're not that close then!

ALICE MOM: I figured..

ALICE MOM: Because they sure as heck don't love you as much as I do!!!! Have the best day ever!

ALICE: Awww moooomm!!!

Alice: OH MY GOSH I MADE IT!!

ALICE: I'm sorry I was late!

ALICE: This morning my mom called me, and we were talking about work and everything and then she made me cry,

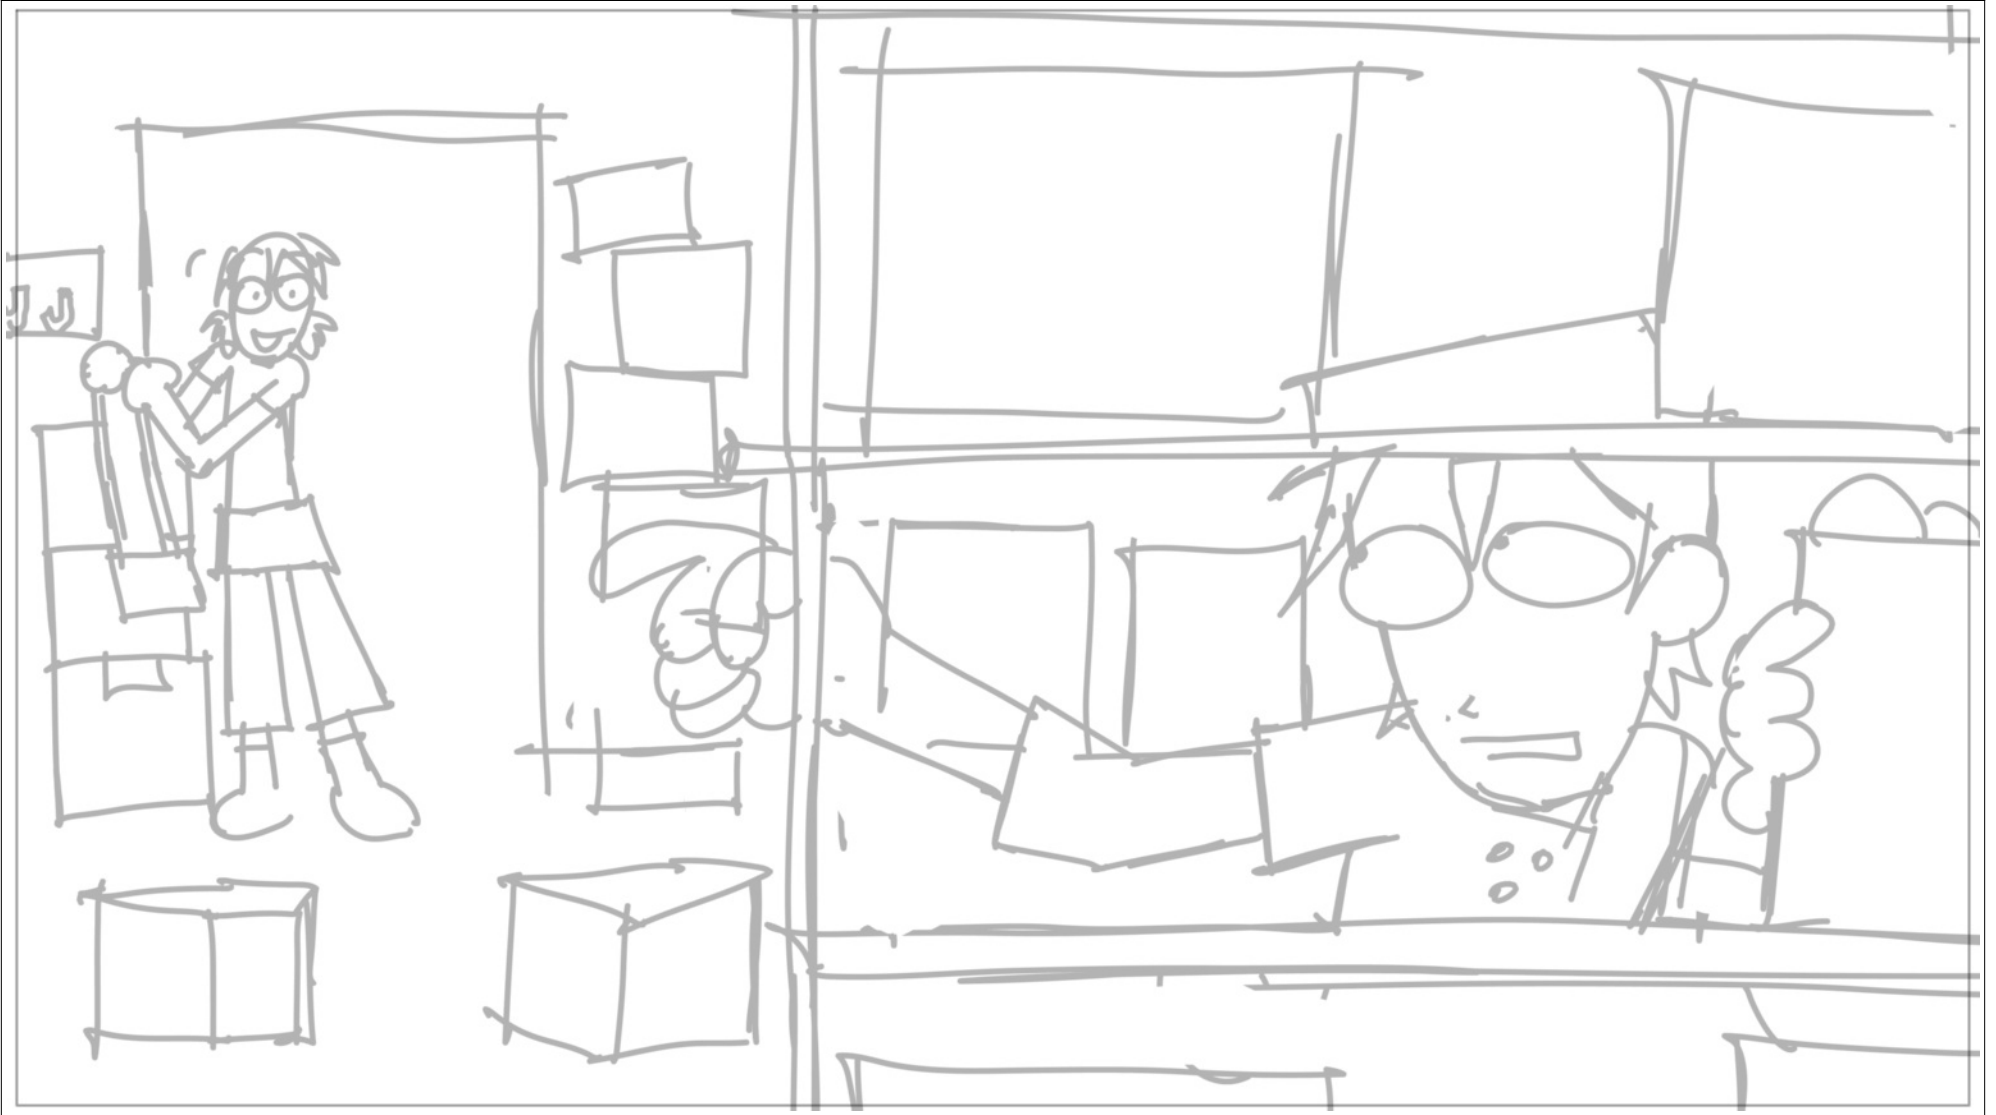

ALICE: But not from her being mean! It was actually from her being too nice and-

CHEF: yeah yeah.. uh huh.. seems pretty hilarious

CHEF: yeah yeah.. uh huh.. seems pretty hilarious, could you by any chance be available to help John in the cool room?

ALICE: Sure can do, boss!

JOHN: ACK !

ALICE: Whoa! Are you OK?

JOHN: That son of a bitch pushed me!

ALICE: Pushed you?

DISEMBODIED VOICE: No I didn't.

UNICORN: He's lying to you.

UNICORN: Can't you tell?

Alice: whaaa

JOHN: Dude, Alice, this thing is bad news..

JOHN: Chef wanted to add something new to the menu this week and he landed on this jerk.

UNICORN: A jerk?

UNICORN: Is it a jerk to not want to die?

UNICORN: Or is it a jerk to keep on living?

UNICORN: Whatever, I'm not scared of either. Go on, don't mind me.

JOHN: Anyways...

JOHN: A unicorn...

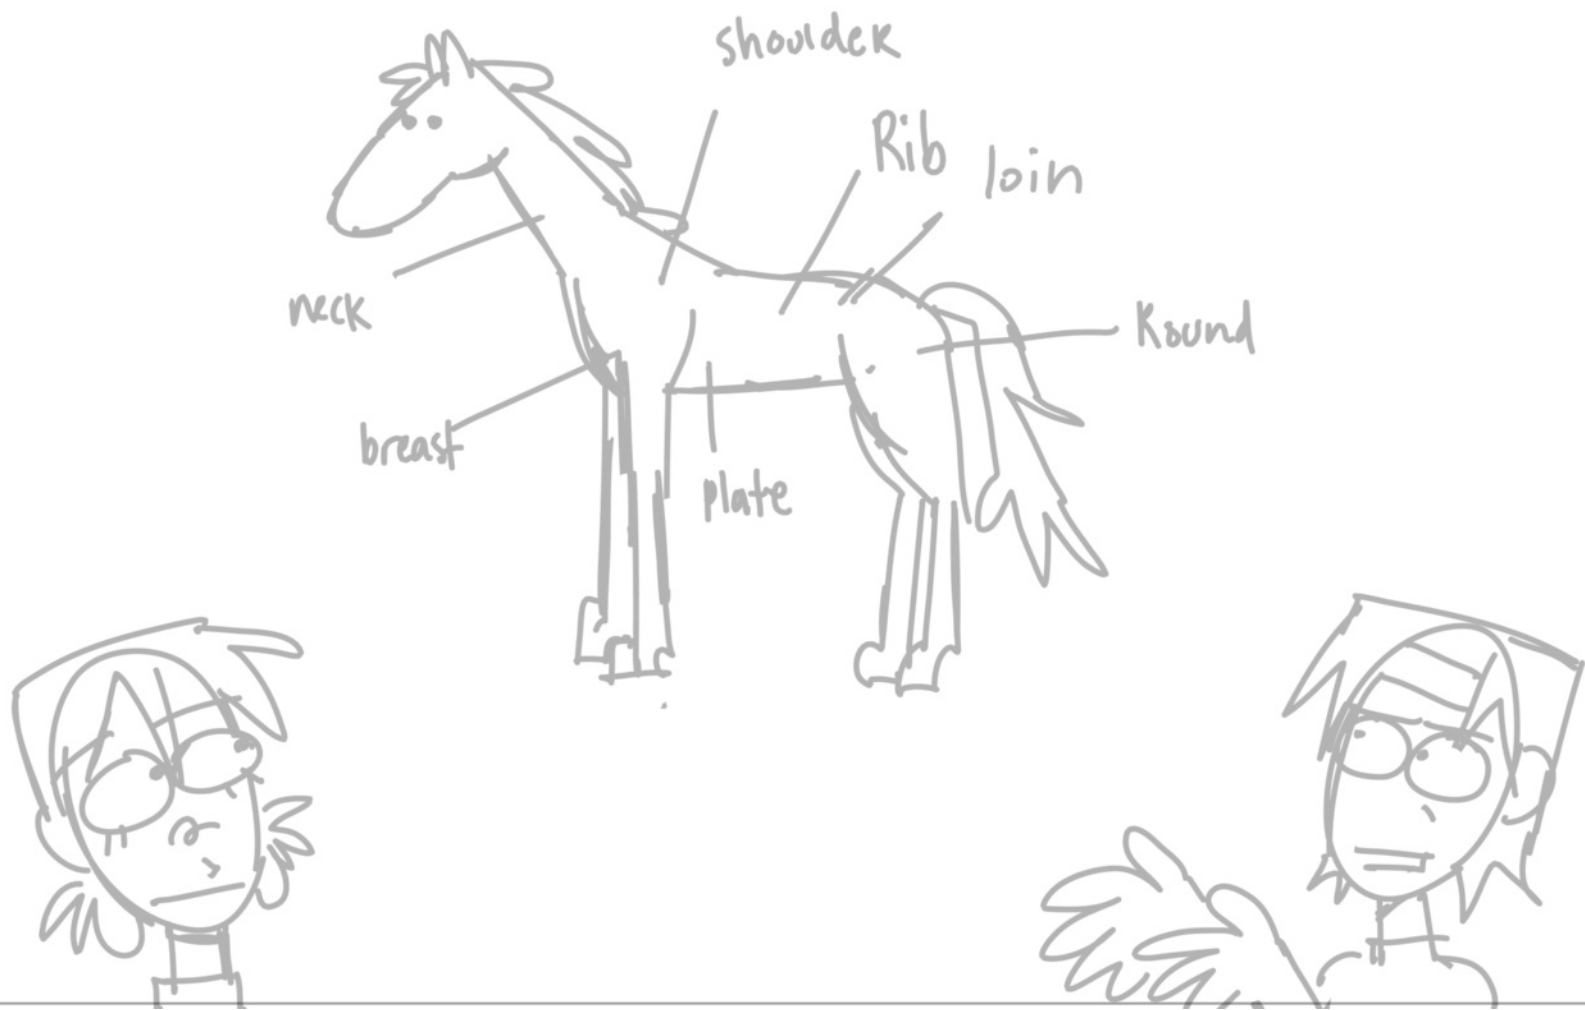

JOHN: it could only be described and compared to something that we have butchered and cooked before..

JOHN: like a horse,

and this 'horse' is a major dick.

so we're going to kill it, cook it up, and give it to our paying customers to get rid of this thing forever.

JOHN: So uhh...We gotta butcher it, clean out all the gunk that's in there, and we probably gotta do something with the skin too-

We gotta do something with the head also; maybe make a soup from the skull? Or maybe get some of the cheek meat and-

ALICE: Hnnnggg

Alice: NO!!

Cont: We can't do this to her!!! She's too beautiful!! And magical!!

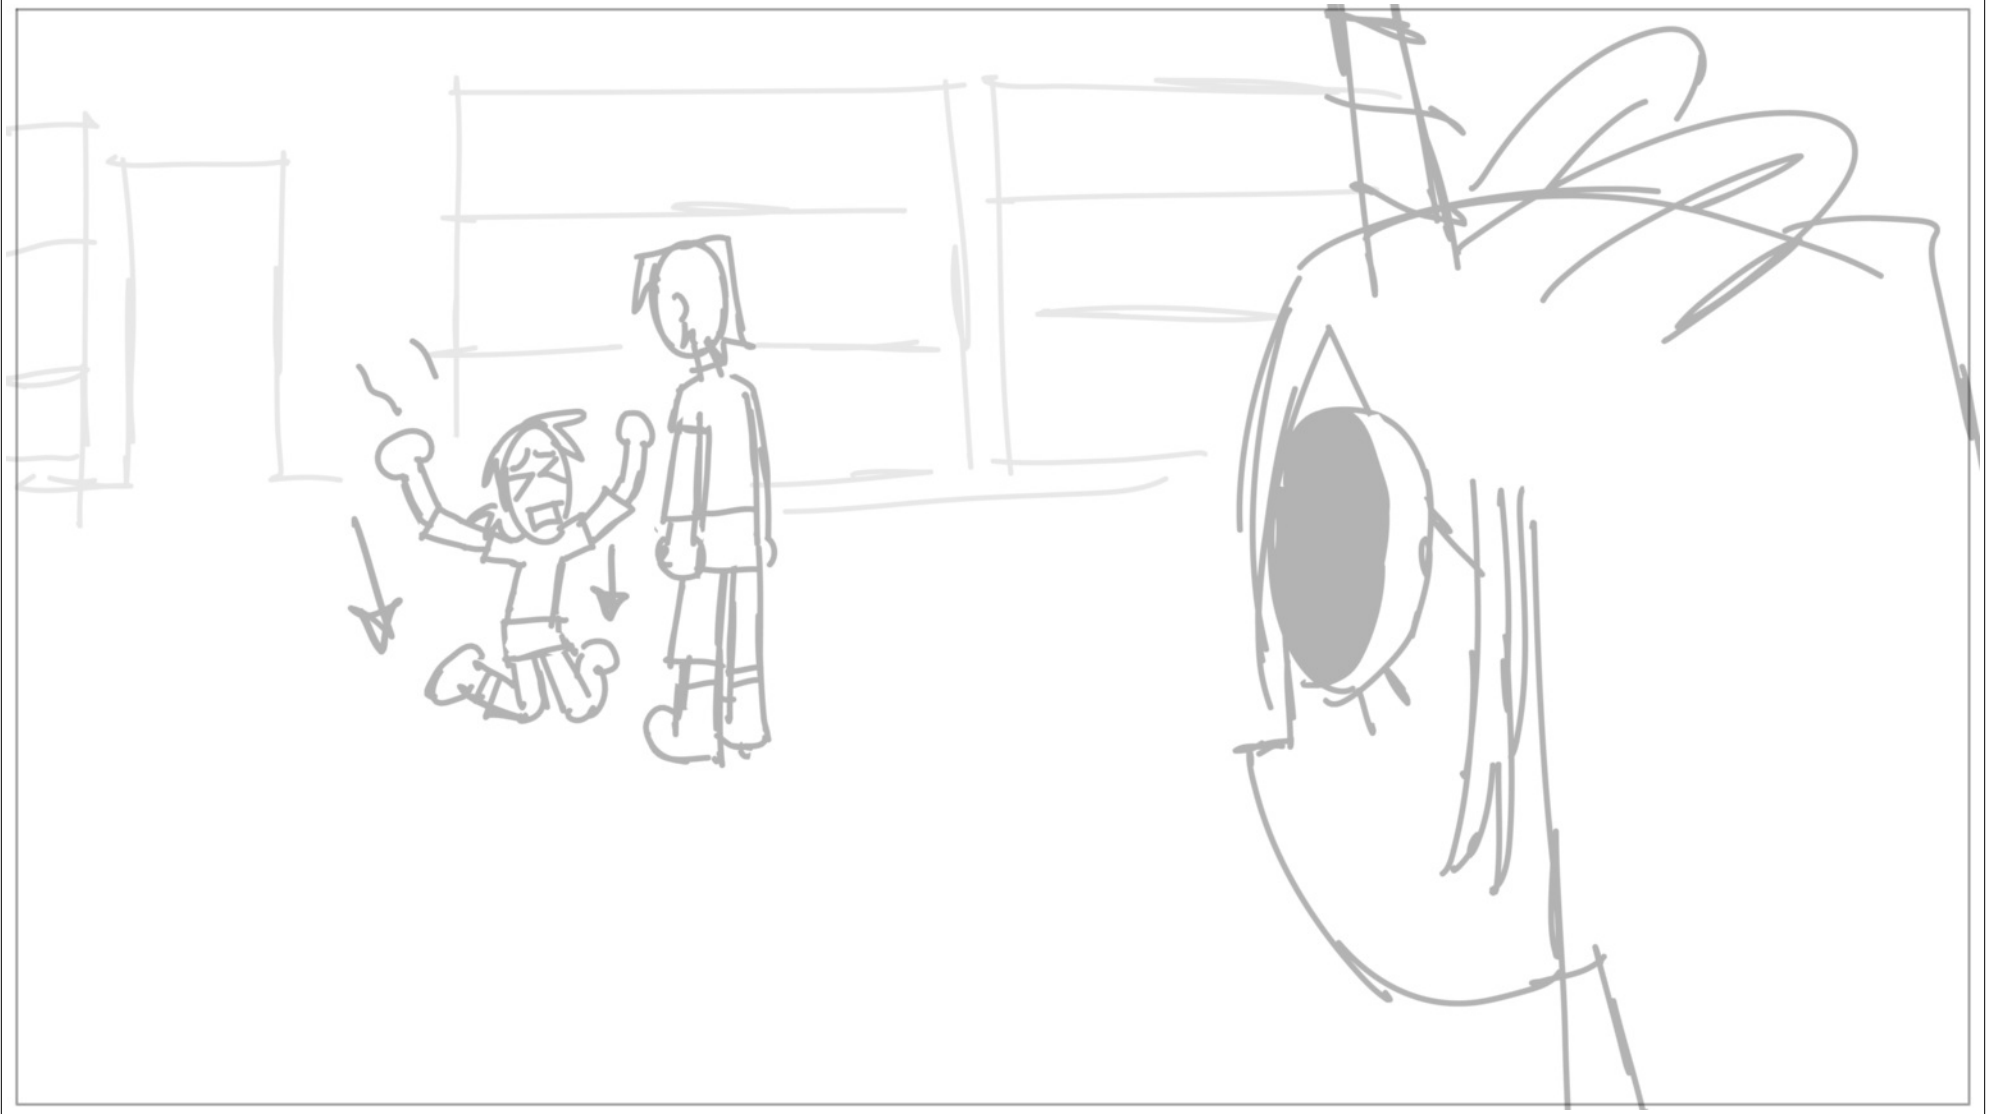

JOHN: Alice, come on, there's nothing we can do about this; we already told the customers and everything

Alice: NOOOO!!!

\*silence\*

10 minutes of poor  
bargaining Later...

ALICE: Can I.. at least.. \*sniff\* give her one last \*sniff\* good day?

JOHN: Ehhh.. I don't know man..

JOHN: UGHHH fine.

Alice: Ahhh hahahaha yes!!

Alice: THANK YOU THANK YOU THANK YOU!

Alice: It's just like what my mom said! This \*is\* going to be the best day ever !!!

cont: We'll take a nice walk, grab some yummy food, maybe catch a movie, see some sights, and cap the day off with some icecream and the beautiful sunset..

ALICE: Oh man, do I have a day for us!

ALICE: Do you like walking? Or are you more of a sight-seeing girl?

ALICE: Well it doesn't matter which on you are because we're doing both!!!!

UNICORN: BLEH!

\*SPLAT\*

Alice: Hey, I get it. We all can't like the same things!

UNICORN: They're just putting anything into theaters nowadays, huh?

ALICE: Yeah, that one was kinda a miss. Real shame for the director for that..

UNICORN: This is lame as fuccckk

ALICE: Wow.. look at that..

ALICE: AH! That's definitely my mom!

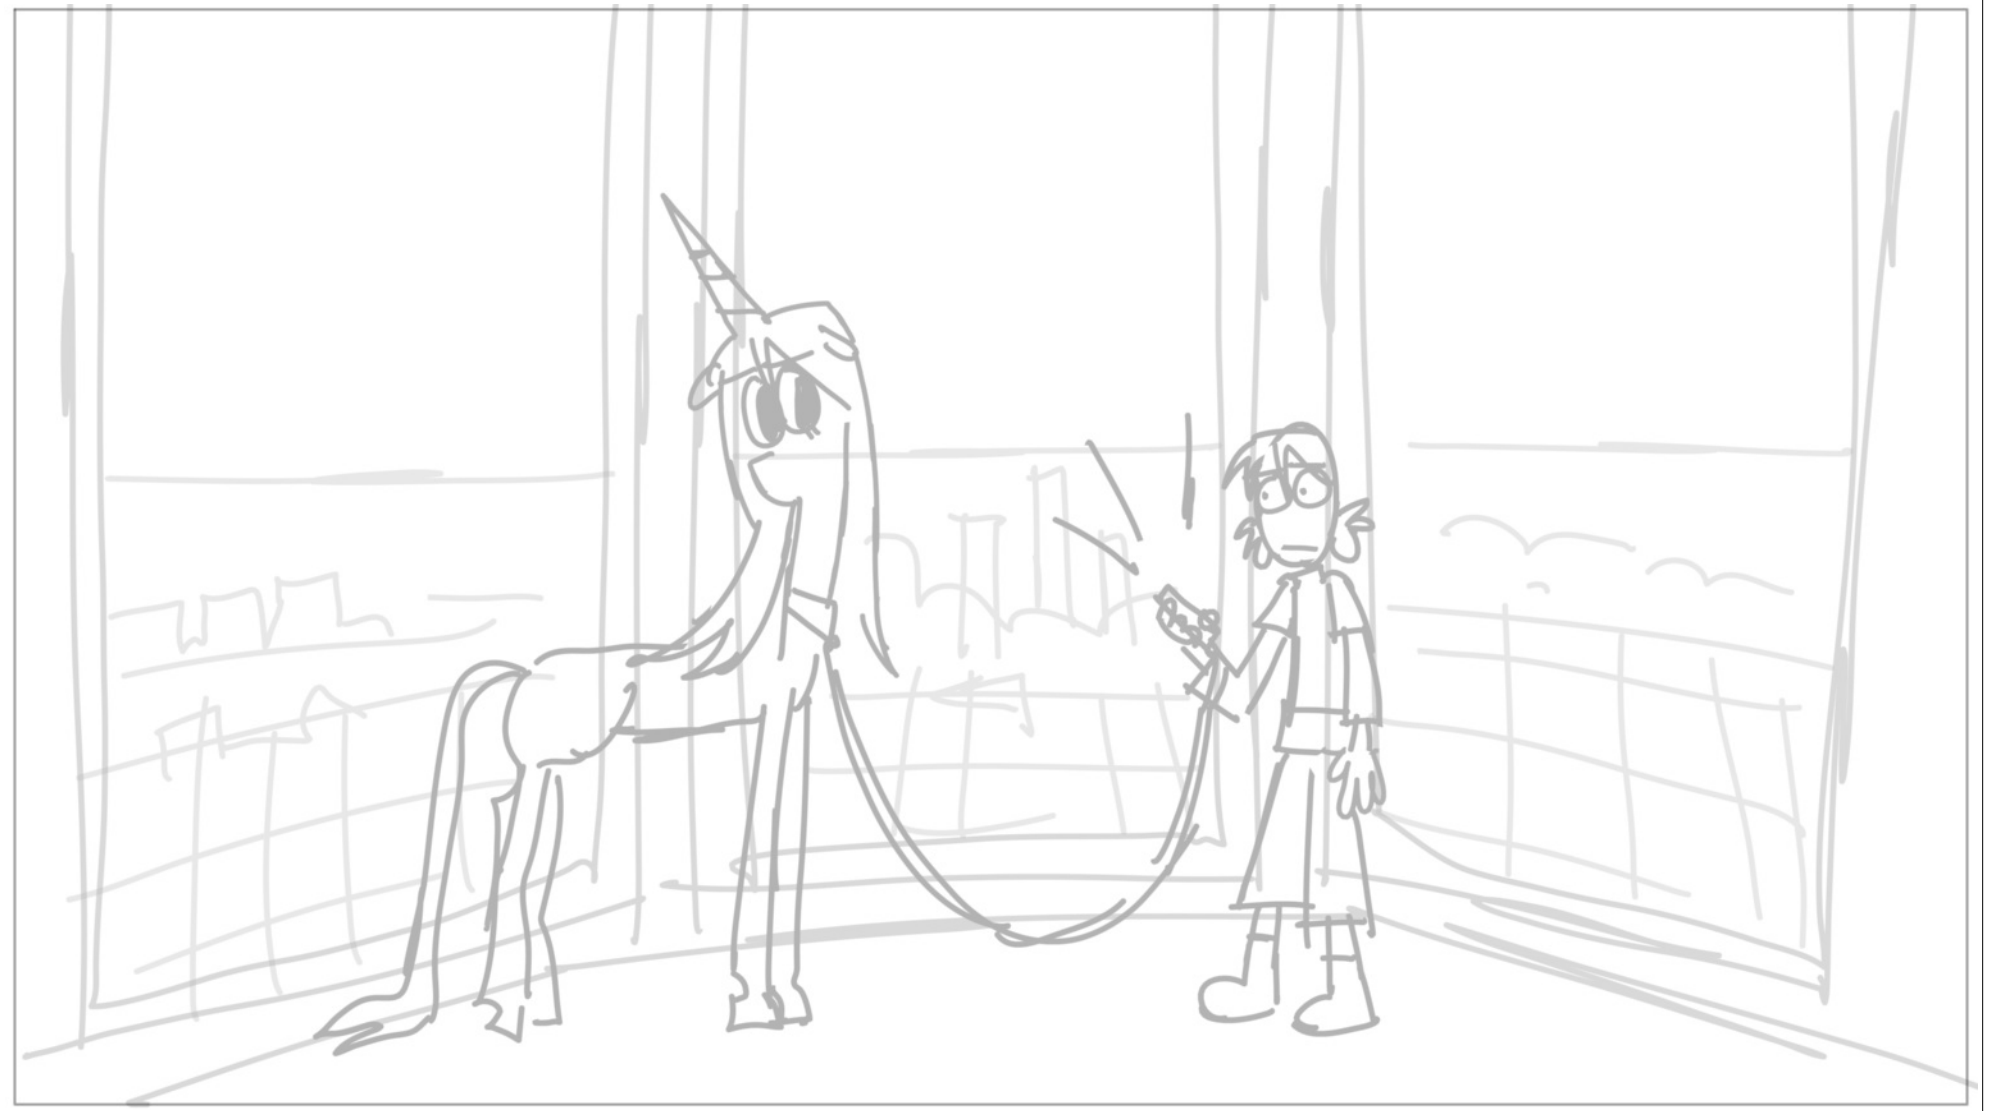

ALICE MOM: HI SWEETIE!!! I WAS THINKING ABOUT YOU ALL DAY!! ARE YOU FREE TO TALK RIGHT NOW??

UNICORN: Your mom has a reallyyy weird voice.

UNICORN: Make sure to thank God tonight for not inheriting that

CHEF: Wow, y'all must've had a really good time! You really tuckered her out!

CHEF: Hey Alice,

CHEF: John said you really saw something in this thing, so what do you say about us keeping her?

ALICE: No. Kill her.
